

REPLACEMENT MUSICIAN LETTER APPLICATION CHECKLIST

Note: Technicians/support workers cannot be substituted.

The following may be used as a final checklist before sending your request to replace an AFM musician approved for a P2 Work Permit.

- ✓ Replacement Letter Application: Parts 1, 2 and 3: Please ensure that Part 1 has been signed by the replacing musician *unless* power of attorney has been given to the representative filing the petition with this office.
- ✓ Make sure that the replacement musician is a member in good standing with the AFM and that his/her dues have been paid up to and including the end date of the P2 Work Permit. You must provide verification of this with the application (copy of membership card, email from Local Office or membership section in Part 1 completed by Local Officer). The AFM Immigration Department cannot verify membership on your behalf.
- ✓ Enclose \$40.00 made payable to “**AFM**” for administrative processing fees (certified cheque, cash or money order – no personal cheques).
- ✓ Provide a copy of the photo page of the replacement musician’s passport.
- ✓ Enclose a copy of the appropriate Approval Notice (Form I-797B) to support this request.
- ✓ If you are replacing a musician who has already travelled to the U.S. under this P2 Work Permit, and who has therefore obtained an I-94 Departure Record, that I-94 will have to be presented at the border along with the letter of support from the AFM and the I-797B Approval Notice initially issued to the musicians.
- ✓ Please submit this application to the AFM at least **5 business days** before the replacement musician intends to enter the United States.

The entertainment unit should realize that AFM will provide a letter of support for the individual substituting for an already-approved P2 beneficiary. The Border Officer has the final authority to grant approval or to deny entry of an individual into the United States. AFM will not assume financial or other liability for lost performance fees and/or out-of-pocket expenses resulting from members being unable to enter the United States on the date requested, for reasons determined by U.S. Customs/Border Inspection Officials, or any other U.S. legal authorities.
