

IMPORTANT INFORMATION REGARDING P2 WORK PERMITS FOR PERMANENT RESIDENTS OF CANADA

Processing times are longer for bands with Permanent Resident members due to the extra steps involved for processing through the U.S. Consulates. **Add an additional 20 days on top of the processing time it takes to process a Regular or Premium P2.**

(Example: If the current processing time for a Regular P2 was 110 days, then you would need to submit your P2 Package to the CFM office at least 130 days prior to the first performance)

All Permanent Residents applying for P2 Work Permits must go through an additional screening process conducted by the U.S. Consulate closest to your city of residence. You are required to make an appointment at the U.S. Consulate to obtain your non-immigrant work status. Information regarding this procedure can be found by visiting canada.usvisa-info.com. Please contact our office to request the Receipt Number, Receipt Date and Notice Date for your case, which you will need when you book your appointment.

This process involves filling out U.S. Consulate forms and paying an additional fee to the U.S. Consulate. An interview is then conducted by a Consulate officer at the U.S. Consulate and the musician/technician is issued his/her I-94 Departure Record, facilitating entry into the United States.
