

Apply for Personal Accident Disability Insurance. It's easy.

There are many ways Personal Accident Disability Insurance can be a tremendous help to you. It can provide a monthly benefit to pay for expenses or replace lost income if injury or sickness prevents you from performing your day-to-day activities, whatever those activities may be. This helps ensure the lifestyle to which you and your family have become accustomed is protected during these difficult times.

Do I qualify?

All applicants qualify for at least \$1,000 in monthly disability benefits. Personal Accident Disability Insurance is available from age 5 to age 80, and is renewable all the way to age 90! Whether you are employed full time, part time or not at all, we have a plan that will match your lifestyle.

Applying for coverage is quick with our short application and, for your convenience, no medical tests are required to qualify at the time of application. In addition, we offer affordable premiums, with reduced rates for employees with W.S.I.B. coverage.

Full time. Part time. Retired.
At school. Running a business.
Raising a family.

No matter how you spend your day, you never plan on having an accident.

But perhaps you should. An accident can happen to anyone, at anytime.

What would you do?

Imagine for a moment that you were to become seriously ill or disabled due to an accident. Consider how difficult it would be for you and your family to continue managing your monthly expenses in addition to any additional costs related to medical treatments. Where would the money come from for these expenses?

What is covered?

For only a few cents a day Personal Accident Disability Insurance offers you added security and protection – at home, work or play, 24 hours a day, anywhere in the world.

If you are injured because of an accident, your coverage includes:

- Total and partial monthly disability benefits, where you choose the amount – including a 5-year regular occupation benefit when benefits are chosen for longer than 2 years
- Immediate coverage, continuing for the full benefit period when an accident results in a loss of sight, hearing, speech or limbs
- Up to \$36,500 of accident-related hospitalization coverage
- Coverage of ambulance costs if you have an accident
- A rehabilitation benefit to help you quickly get back to your regular day-to-day activities
- Accidental death benefit of \$10,000 or more, plus a death benefit if you die while receiving claim benefits

Choose a Plan that meets your needs

- If you work more than 30 hours per week, you can qualify for a monthly benefit up to \$6,000; if not, you can receive up to \$1,000
- Choose whether benefits begin on the very first day of disability, after 1 month or after 4 months
- Benefits can cover you up to 2 years, 5 years, or to age 65

Additional options for your specific needs

- **Sickness Disability** matches your Accident Plan for full illness and injury disability protection
- **Sickness Hospitalization** provides daily benefits for hospital and convalescence costs over and above any other coverage you may have
- **Accident Excess Medical** covers drugs, equipment, therapy and more over and above any other coverage you may have
- **Accidental Death and Dismemberment** protection
- **Additional Accidental Death** protects up to \$300,000 over and above built-in death benefits
- **Non-Occupational Loss of Income** provides an economical option to compliment coverage provided in a Worker's Compensation Plan

Apart from the following exceptions, you will be covered for any accident, 24 hours a day, anywhere in the world.

What is not covered?

No benefits are payable for an accident or injury that results from: an act of war; elective medical treatment; suicide or self-inflicted injuries; committing a criminal offense or while in prison; the misuse of medication or the abuse of drugs or intoxicants; air travel (other than on a commercial aircraft); participation in professional sports or hazardous activities, such as scuba diving, boxing, parachuting, rock/cliff climbing, skydiving, hang-gliding, bungee jumping or a motorized contest of speed.

No benefits are payable for sickness unless the sickness disability rider is included.

Limitations of coverage

Strains or sprains are covered for a maximum of 2 months for each accident with no limit on the number of accidents. Pre-existing conditions are only covered after 12 months.

Back or neck injuries are covered for a maximum of 2 months for each accident. If there is evidence of the injury on diagnostic medical imaging tests, further benefits may be payable.

Benefits may be integrated at the time of claim, but only if your monthly benefit is more than \$2,000. At the time of claim, no proof of income is required if your monthly benefit is \$2,000 or less.
